

LAVENDER WITCH – TECHNICAL RIDER

THANKS FOR HAVING US !

We won't come with a sound engineer, we'll be happy to work with your team.

Here are our ideal stage plot and patch. If you can't provide everything or if adaptations are necessary, please let us know.

For the hospitality, we would be delighted to have 5 VEGETARIAN meals and some drinks (beers, juices, water...).

Please note that we have food intolerances: mushrooms and bell peppers.

Due to health issues, please make sure that the venue and the backstage are non-smoking. Thanks !
